

MaineHousing Freedom of Access Fee Policy

MaineHousing will respond to any requests for public documents in MaineHousing's possession in the most efficient way possible. If copies are provided by a retail service, the cost will be passed through to the requestor. If the copies are provided by MaineHousing, MaineHousing may, at its discretion, charge \$0.10 per page. MaineHousing does not routinely charge for a *de minimus* number of pages.

If the request requires staff to search, retrieve, review and redact, and compile documents, MaineHousing may charge a fee of \$15.00 per hour after the first hour.

MaineHousing does not charge for the inspection of documents.
